Ref: **STIP AMENDMENT 04S-056**

The Mono County Local Transportation Commission (LTC) and Mono County are requesting that this proposed State Transportation Improvement Program (STIP) amendment be noticed at the April 2005 California Transportation Commission (Commission) meeting and be considered for approval in May 2005. This Notice is an informational item allowing the Commission to review the proposal, comment and/or ask questions prior to taking formal action in May 2005 or later.

Mono County proposes to reprogram \$2,480,000 of Regional Improvement Program (RIP) funds from FY 2005-06 to FY 2006-07 and FY 2007-08, and \$3,082,000 of RIP funds from FY 2006-07 to FY 2007-08 on the following four local road rehabilitation projects: \$1,333,000 on the Lundy Lake Road Rehabilitation project (PPNO 2009); \$1,031,000 on the Owens Gorge Road Rehabilitation project (PPNO 2012); \$1,396,000 on the Owens River Road Rehabilitation project (PPNO 2020); and \$1,802,000 on the Bridgeport Street Rehabilitation project (PPNO 2021). Mono County LTC concurs with the request.

## **RECOMMENDATION**

The Department of Transportation (Department) recommends the item be placed on the consent calendar for approval at the May 2005 Commission meeting.

## **BACKGROUND**

Mono County has several local road projects that are scheduled for delivery in FY 2005-06. Mono County has reviewed the deliverability of the projects in conjunction with the current funding scenario for transportation projects. The projects are relatively small and originally programmed to be successfully accomplished in one year. If funding for these projects is not allocated early in the fiscal year, then it is not possible for them to deliver the projects within the original time frame. Therefore, Mono County is proposing to delay components on four local road rehabilitation projects to future fiscal years.

Lundy Lake Road Rehabilitation (PPNO 2009)

This project will rehabilitate Lundy Lake Road from Route 395 to the west end of Lundy Lake Road. The project is currently programmed with \$15,000 for Design (PS&E), \$1,000 for Right of Way (R/W), and \$1,333,000 for Construction (CON) in FY 2005-06, for a total of \$1,349,000 in RIP funds. Mono County will not be able to complete the design components and proceed to construction prior to the end of the fiscal year. Mono County proposes to reprogram \$1,333,000 of CON from FY 2005-06 to FY 2006-07.

Owens Gorge Road Rehabilitation (PPNO 2012)

This project will rehabilitate and overlay Owens Gorge Road near Toms Place. The project is currently programmed with \$28,000 for Environmental (PA&ED), \$18,000 for PS&E, \$55,000 for R/W, and \$958,000 for CON in FY 2005-06, for a total of \$1,059,000 in RIP funds. Mono County needs to complete the PA&ED component prior to proceeding with PS&E. Mono County proposes to reprogram \$18,000 for PS&E and \$55,000 for R/W from FY 2005-06 to FY 2006-07, and reprogram \$958,000 for CON from FY 2005-06 to 2007-08.

Owens River Road Rehabilitation (PPNO 2020)

This project will rehabilitate the road near Crestview. The project is currently programmed with \$36,000 for PA&ED, \$24,000 for PS&E, and \$28,000 for R/W in FY 2005-06; and \$1,344,000 for CON in FY 2006-07, for a total of \$1,432,000 in RIP funds. Mono County needs to complete PA&ED prior to proceeding with PS&E. Mono County proposes to reprogram \$24,000 for PS&E and \$28,000 for R/W from FY 2006-05 to FY 2006-07, and reprogram \$1,344,000 of CON from FY 2005-06 to 2007-08.

Bridgeport Street Rehabilitation (PPNO 2021)

This project will overlay and construct sidewalks, curbs and gutters on various streets in Bridgeport. The project is currently programmed with \$64,000 for PA&ED and \$64,000 for PS&E in FY 2005-06, and \$1,738,000 for CON in FY 2006-07, for a total of \$128,000 in RIP funds. Mono County needs to complete PA&ED prior to proceeding with PS&E. Mono County proposes to reprogram \$64,000 for PS&E from FY 2005-06 to FY 2007-08, and \$1,738,000 for CON from FY 2006-07 to FY 2007-08.

**RESOLUTION**
