

Memorandum

To: CHAIR AND COMMISSIONERS

CTC Meeting: May 25-26, 2005

Reference No.: 2.1a.(8)
Action Item

From: CINDY McKIM
Chief Financial Officer

Prepared by: Ross A. Chittenden
Division Chief
Transportation Programming

Ref: **STIP AMENDMENT 04S-033**

The Lake County/City Area Planning Council (LAPC) is requesting the California Transportation Commission (Commission) approve this State Transportation Improvement Program (STIP) amendment. This amendment was noticed at the April 2005 Commission meeting.

LAPC proposes to reprogram \$48,000 in Regional Improvement Program (RIP) Transportation Enhancement (TE) funds from two existing TE projects, the South Main Street Rehabilitation project (PPNO 3032R) (\$22,000) and the Soda Bay Road Rehabilitation project (PPNO 3033R) (\$26,000), to a new Main Street Kelseyville Walkway Landscaping and Lighting project (PPNO 3036A). To fully fund PPNO 3036A, LAPC is requesting to reprogram ~~\$162,000~~ **\$106,000** from the TE Reserve (PPNO 3036). LAPC also proposes to reprogram the remaining RIP TE Reserve funds of \$470,000 on a new Lake County Fairgrounds Sidewalks project (PPNO 3036B). This is a revenue neutral programming action.

RECOMMENDATION

The Department of Transportation (Department) recommends approval.

BACKGROUND

At the time of the adoption of the 2004 STIP, LAPC was only able to program a portion of the Region's available TE funding, South Main Street Rehabilitation project (PPNO 3032R) and the Soda Bay Road Rehabilitation project (PPNO 3033R). LAPC now has two new projects, Main Street Kelseyville Walkway Landscaping and Lighting (PPNO 3036A) and Lake County Fairgrounds Sidewalks (PPNO 3036B) project to fully utilize their TE Reserve. LAPC also requires programming changes on existing TE projects (PPNO 3032R) and (PPNO 3033R). These two existing projects have RIP funding as well as TE funding. Due to State funding constraints, the RIP portion of the two projects has been delayed and no longer corresponds with the fiscal year of the TE portion. Lake County has also learned that there are historic resources in the area of these two projects that will likely require extensive environmental review and cause further delays.

South Main Street Bikeway (PPNO 3032R)

This amendment will reduce the \$106,000 in FY 2006-07 RIP TE CON by \$22,000 and move the remaining \$84,000 to FY 2008-09. Lake County will then contribute \$22,000 of local funds to fully fund the CON component. The \$22,000 of TE funds will then be reprogrammed to help fund CON in FY 2006-07 on (PPNO 3036A). This amendment will also move \$11,000 of RIP TE Right of Way (R/W) from FY 2005-06 to FY 2006-07. A time extension request will be submitted to extend the RIP TE PS&E component to correspond with the delayed non-TE PS&E funding.

For the RIP funded portion of this project, this amendment will move \$240,000 of Design (PS&E) and \$112,000 of R/W from FY 2005-06 to FY 2006-07, and \$1,064,000 in CON from FY 2006-07 to FY 2008-09.

Soda Bay Road Bikeway (PPNO 3033R)

This amendment will reduce \$135,000 in FY 2006-07 RIP TE CON by \$25,000 and move the remaining \$110,000 to FY 2008-09. In addition, \$14,000 in FY 2005-06 RIP TE R/W is being reduced by \$1,000, and the remaining \$13,000 will be moved to FY 2006-07. Lake County will contribute \$26,000 of local funds to fully fund CON and R/W components. The \$26,000 of TE funds will then be reprogrammed to help fund CON in FY 2006-07 on (PPNO 3036A). A time extension request will be submitted to extend the RIP TE PS&E component to correspond with the delayed non-TE PS&E funding.

For the RIP funded portion of this project, this amendment will move \$210,000 PS&E from FY 2005-06 to FY 2006-07 and \$1,353,000 CON from FY 2006-07 to FY 2008-09.

Main Street Kelseyville Walkway, Landscaping and Lighting (PPNO 3036A)

This TE project was recently allocated \$12,000 for Environmental (PA&ED). ~~This amendment will program \$2,000 for PS&E in FY 2005-06 from TE Reserves (PPNO 3036) in FY 2005-06. A time extension request for Lake County's TE reserve of \$6,000 in FY 2004-05 will be submitted to fully fund PS&E at \$8,000 in FY 2005-06.~~

This amendment will also reprogram \$3,000 in FY 2005-06 and \$8,000 in FY 2006-07 TE Reserves to the R/W component in FY 2006-07. In addition, this amendment will program a total of \$143,000 in FY 2006-07 for CON as follows: \$95,000 from FY 2007-08 TE Reserves; \$22,000 from PPNO 3032R; and \$26,000 from PPNO 3033R.

Lake County Fairgrounds Sidewalks (PPNO 3036B)

This amendment creates this new TE project by programming \$470,000 from Lake County's TE Reserves (PPNO 3036) as follows: \$30,000 for PA&ED in FY 2005-06 will be funded from TE Reserves in FY 2005-06; \$36,000 for PS&E in FY 2005-06 will be funded from TE Reserves in FY 2005-06; \$105,000 for R/W in FY 2006-07 will be funded from \$40,000 in TE Reserves in FY 2006-07 and \$65,000 in TE Reserves in FY 2007-08; and \$299,000 for CON in FY 2007-08 will be funded from \$297,000 in TE Reserves in FY 2007-08 and \$2,000 from TE Reserves in FY 2008-09.

RESOLUTION

Resolved, that the California Transportation Commission revise the 2004 State Transportation Improvement Program at the end of the 30-day notice period as follows:
