Ref: **ALLOCATIONS FOR TRAFFIC CONGESTION RELIEF PROGRAM (TCRP) PROJECTS
RESOLUTION TFP-05-**

ISSUE:

Attached is a Vote List for two Traffic Congestion Relief Program (TCRP) project allocation requests totaling \$16,530,000 in new Traffic Congestion Relief (TCR) funds for the projects identified.

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission) defer approval of these allocation requests.

BACKGROUND:

The Governor's FY 2005-06 Budget Proposal included the transfer of Proposition 42 funding. This transfer made \$678 million available for allocation to TCRP projects. With allocation actions taken at the September 2005 meeting, the Commission has approved allocations up to the limit of available funding as provided in the FY 2005-06 budget. Therefore, the Department recommends that any further requests for allocations of new or additional TCR funding be deferred at this time, and that these allocation requests be placed on a pending list until such time new or additional sources for TCR funding can be identified.
