The Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-06-20.

## **ISSUE:**

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

This project is fully funded in the 2006 State Transportation Improvement Program. The total programmed project cost, capital and support, is \$1,463,000. Construction is scheduled to begin Fiscal Year 2006-2007.

A Negative Declaration was prepared because of potential impacts to oak woodlands. A copy of the Negative Declaration has been provided to Commission staff.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
