

## Memorandum

To: CHAIR AND COMMISSIONERS

CTC Meeting: July 19-20, 2006

Reference No.: 2.7  
Action Item

From: CINDY McKIM  
Chief Financial Officer

Division Chief  
Division of Aeronautics

Subject: **FY 2006-07 AERONAUTICS ALLOCATION FOR SET-ASIDE TO MATCH FEDERAL AIRPORT IMPROVEMENT PROGRAM (AIP) GRANTS RESOLUTION FDOA-2006-01**

### **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve Resolution FDOA-2006-1, allocating \$1,650,000 for Fiscal Year (FY) 2006-07 to match federal Airport Improvement Program (AIP) grants.

### **ISSUE:**

The 2006 Aeronautics program included a set-aside of \$3,300,000 to match federal AIP grants. The Department has proposed setting the match rate at 2.5 percent for the FY 2006-08. Based on the new match rate, an allocation of \$1,650,000 is needed to fund the match for FY 2006-07 AIP grants.

### **BACKGROUND:**

In April 2006, the Commission adopted the 2006 Aeronautics Program that included a set-aside of \$3,300,000 to match AIP grants in FY 2006-07. This allocation provides the authority for the Department to subvent matching funds to individual projects as requested by airport sponsors. A concurrent action to reduce the match of AIP grants from 5 percent to 2.5 percent is under Reference No. 4.6.

The Department provides Commission staff with monthly reports on allocations for AIP Matching funds. The reports show the sponsor name, the airport name, a project description, the AIP grant amount, the state matching amount, and an explanation on any portions of the AIP grant that were not matched. Because the Aeronautics Account is continuously appropriated, any unused remainder of this allocation would be available in FY 2007-08 to fund additional Aeronautics Program projects.
