Subject: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING,
06-KIN-41, PM R42.1/R44.7
RESOLUTION E-06-32**

RECOMMENDATION:

The Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-06-32.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- Route 41 in Kings County – Roadway improvements near Lemoore.

This project in Kings County is to rehabilitate a 2.6 mile segment of State Route 41. This project is fully funded in the 2006 State Highway Operation and Protection Program (SHOPP). The total estimated project cost is \$28,316,000. Construction is estimated to begin in Fiscal Year (FY) 2009-10.

A copy of the ND has been provided to Commission staff. Due to biological resource concerns, specifically construction activities in the San Joaquin kit fox and longhorn elderberry beetle habitat, an Initial Study was prepared.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
