04-SON-12, PM 29.7/30.3 and PM 30.5/30.9
RESOLUTION E-06-33**

RECOMMENDATION:

The Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-06-33.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- State Route 12 in Sonoma County – Roadway improvements near Kenwood.

This project in Sonoma County is to rehabilitate a 0.9 mile segment of State Route 12. This project is fully funded in the 2006 State Highway Operation and Protection Program (SHOPP). The total estimated project cost is \$10,077,000. Construction is estimated to begin in Fiscal Year (FY) 2007-08.

A copy of the ND has been provided to Commission staff. The project involves the acquisition of new right of way. In addition, the project would require the removal of mature trees that may impact visual resources. Due to these factors, an Initial Study was prepared for the project.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
