Subject: **STATUS OF CONSTRUCTION CONTRACT AWARD FOR TRAFFIC CONGESTION RELIEF PROGRAM PROJECTS, PER RESOLUTION G-06-08**

## **SUMMARY:**

The California Department of Transportation (Department) is presenting this item for information on the status of the Traffic Congestion Relief Program (TCRP) projects allocated in Fiscal Year (FY) 2006-07.

To date, 36 TCRP projects totaling \$376,211,000 have been voted in FY 2006-07 (this total does not include reimbursement of Letters of No Prejudice). Of the projects voted from July 2006 through February 2007, two remain to be awarded. One project was de-allocated due to the agency's inability to award a contract. The status of the projects not yet awarded is reflected in the table on the following page.

The ten projects voted in March and April 2007 will be included in future reports.

## **BACKGROUND:**

At its June 8, 2006 meeting, the California Transportation Commission (Commission) adopted Resolution G-06-08, which requires projects to be ready to proceed to construction within six months of an allocation of funds. The policy also requires that projects not awarded within four months of allocation be reported to the Commission.

It has been determined that the Commission requirements apply to TCRP projects.
