Subject: **TECHNICAL CORRECTION TO PREVIOUSLY APPROVED RESOLUTION -
RESOLUTION FP-06-21**

RECOMMENDATION:

The Department of Transportation (Department) recommends the California Transportation Commission approve a technical correction to Resolution FP-06-21, originally approved on September 7, 2006, for one locally-administered State Transportation Improvement Program Transportation Enhancement project for \$329,000.

ISSUE:

A technical correction is needed for Project #1 - Sierra County (PPNO #3117) to correct the project description. At the time the allocation request was submitted, Sierra County requested that the vote box description be updated to reflect the current scope. When preparing the allocating documents, the Department inadvertently omitted the change.

The correction is shown in strikethrough on the attached vote box.
