

# Memorandum

To: CHAIR AND COMMISSIONERS

CTC Meeting: November 7-8, 2007

Reference No.: 2.1c.(3)  
Action Item

From: CINDY McKIM  
Chief Financial Officer

Prepared by: Rachel Falsetti  
Acting Division Chief  
Transportation Programming

Subject: **TCRP PROJECT APPLICATION AMENDMENT APPROVAL  
RESOLUTION TAA-07-37, AMENDING RESOLUTION TA-00-01**

## **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve Resolution TAA-07-37, amending the application for Traffic Congestion Relief Program (TCRP) Project #43 described below.

## **ISSUE:**

The Department requests approval of the following TCRP project application amendment.

Project #43 – Los Angeles-Route 5; improve Carmenita Road Interchange in Norwalk in Los Angeles County.

Amend application to:

- Redistribute \$37,250,000 in TCRP funds from Construction to Right of Way (R/W).
- Update the project schedule and funding plan.

## **BACKGROUND:**

TCRP Project #43 will reconstruct the Carmenita Interchange. The reconstruction design proposes an arterial overcrossing structure with a railroad grade separation (maintaining existing freeway profiles). The scope of work includes raising the profile grade of Carmenita Road to span both the Route 5 freeway and the Union Pacific Railroad located to the southwest of Route 5. An overcrossing structure above the freeway and an overhead structure above the railroad will be constructed. The interchange will be reconstructed to be consistent with the ultimate configuration of the Route 5 HOV project.

The Department is requesting to redistribute \$37,250,000 in TCRP funds from Construction to R/W. This action is to match the project funding plan as proposed by the Los Angeles Metropolitan Transportation Authority as part of their regional improvement program submittal for the 2006 State Transportation Improvement Program (STIP) Augmentation (approved under Resolution STIP1B-0708-001 on July 26, 2007). The project schedule has been updated accordingly.

A concurrent environmental resolution for funding approval is being requested under agenda item 2.2c.(2). A concurrent TCRP allocation of \$70,710,000 for R/W is being requested under agenda item 2.6e.(1).

**RESOLUTION:**

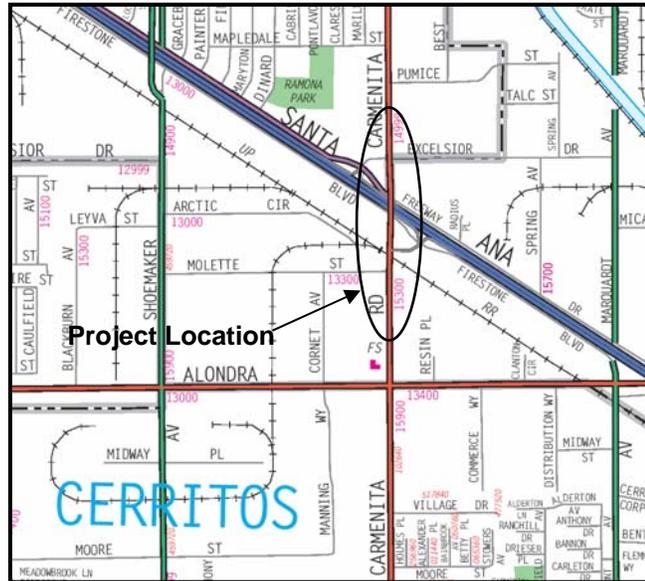

Resolved, with all conditions stipulated still in effect, the California Transportation Commission hereby revises TCRP Project #43 as follows:
