Subject: **FINANCIAL ALLOCATION FOR FY 2009-10 LOCAL ASSISTANCE LUMP SUM
– FEDERAL FUNDS
RESOLUTION FM-09-02**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) allocate \$1,358,113,000 of federal funds to the Department for Fiscal Year 2009-10 Local Assistance subvention budget.

ISSUE:

Each year, the Department requests an annual lump sum allocation to administer the local assistance subvention budget under the authority of the Commission. The Department is requesting the allocation of the federal portion of subvention funds, augmenting the allocation of State funds of \$128,313,000 approved on June 11, 2009, under Resolution FM-08-05.

BACKGROUND:

The Department's Division of Local Assistance administers the State and federal local assistance subvention budget under authority of the Commission. Each year, the Department requests an annual lump sum allocation for these funds consistent with the Budget Act. At the June 2009 meeting, the Commission allocated approximately \$128 million of State subvention funds, per Resolution FM-08-05.

The Department is requesting an allocation of approximately \$1.4 billion of federal subvention funds in preparation for the start of the federal fiscal year, which is October 1, 2009. The allocation of these federal subvention funds will allow the Department to suballocate projects once the federal funds are made available by the Federal Highway Administration.

The guidelines for allocating, monitoring, and auditing of funds for local assistance projects are set forth in Commission Resolution G-99-25, which is based on Government Code 14529.1. The Commission delegates to the Department the authority to adjust allocations between categories, and the Department reports to the Commission if transfers in or out of an expenditure category exceed ten percent of its allocation. Allocations made by the Commission will be revisited upon enactment

of the 2010 Federal Fiscal Appropriation Act to ensure consistency in funding levels from the Federal Highway Administration.

RESOLUTION:

Resolved, that \$1,358,113,000 in federal funds be allocated from the Budget Act of 2009, Budget Act Item 2660-102-0890(1), in accordance with the chart below, bringing the total lump sum allocation for FY 2009-10 Local Assistance subvention budget to \$1,486,426,000.
