Subject: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING
12-ORA-57, PM 12.2/15.2
RESOLUTION E-10-08**

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-10-08.

ISSUE:

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- Route 57 in Orange County. Construct additional northbound lanes and roadway improvements on a section of Route 57 in the city of Anaheim. (PPNO 3829)

This project in Orange County will widen the northbound section of State Route 57 between Katella Avenue and Lincoln Avenue in the city of Anaheim. The project is programmed in the Corridor Mobility Improvement Account and includes local measure funds. The total estimated project cost is \$41,086,000 for capital and support. Construction is estimated to begin in Fiscal Year 2010-11. The scope as described for the preferred alternative is consistent with the project scope set forth in the approved project baseline agreement.

A copy of the ND has been provided to Commission staff. The project will involve construction activities that may disturb potential cultural resource sites in the area or areas of contaminated soil. As a result, an ND was completed for this project.

The Department has approved this project for construction. This approval and the filing of the Notice of Determination with the Office of Planning and Research will satisfy the environmental requirements for this stage of the project planning process.
