Subject: **STATE-LOCAL PARTNERSHIP PROGRAM – LETTER OF NO PREJUDICE
RESOLUTION LONP1B-1011-13**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the Letter of No Prejudice (LONP) for the project identified on the attached spreadsheet, consistent with Assembly Bill (AB) 672 provisions.

ISSUE:

The City of Moreno Valley is requesting AB672 authority to substitute State-Local Partnership Program (SLPP) funds for construction of their programmed project to keep the Eucalyptus Street Improvements project on schedule due to unavailability of Proposition 1B funds.

The project will construct approximately one mile of arterial highway within the city of Moreno Valley.

BACKGROUND:

Government Code Section 14556.33 allows an applicant agency, which is either a regional or local entity, to seek approval of a LONP. If approved by the Commission, the LONP allows the applicant agency to expend its own funds for any component of the transportation project, and seek allocation and reimbursement from the SLPP in the future.

RESOLUTION LONP1B-A-1011-13

Resolved, with all conditions stipulated still in effect, the California Transportation Commission hereby approves a Letter of No Prejudice (LONP) for the project programmed in, or otherwise funded from, the Proposition 1B State-Local Partnership Program in accordance with the attached project list; and

Be it Further Resolved, that the City of Moreno Valley understands that it proceeds at its own risk, as reimbursement is dependent on future availability of State-Local Partnership Program funding; and

Be it Further Resolved, that the project component covered by an approved LONP should be ready to proceed to contract award (or equivalent) once the LONP is approved; and

Be it Further Resolved, that the City of Moreno Valley shall report to the Department within four months following LONP approval on progress in executing agreements and third-party contracts needed to execute the work.
