From: BIMLA G. RHINEHART  
Executive Director

Subject: **TRAFFIC LIGHT SYNCHRONIZATION PROGRAM (TLSP) – PROGRAM AMENDMENT  
RESOLUTION TLSP-PA-1011-10**

## **ISSUE:**

Should the Commission approve the proposed Traffic Light Synchronization Program Amendment to delete the *Fair Oaks Avenue Project* (Project ID 6786) and the *San Gabriel Boulevard Project* (Project ID 6790) from the Traffic Light Synchronization Program of Projects?

## **RECOMMENDATION:**

Commission staff recommends that the Commission approve the proposed Traffic Light Synchronization Program Amendment to delete the *Fair Oaks Avenue Project* (Project ID 6786) and the *San Gabriel Boulevard Project* (Project ID 6790) from the Traffic Light Synchronization Program of Projects.

## **BACKGROUND:**

The City of Pasadena proposes to amend the Traffic Light Synchronization Program to delete the *Fair Oaks Avenue Project* (Project ID 6786) and the *San Gabriel Boulevard Project* (Project ID 6790) from the Traffic Light Synchronization Program of Projects. Current estimates of the project costs indicate that these two corridors are no longer financially viable to design and construct due to challenges in their infrastructure.
