Subject: **FINANCIAL ALLOCATION AUGMENTATION FOR LOCAL ASSISTANCE LUMP SUM
FEDERAL FUNDS
RESOLUTION FM-10-03, AMENDING RESOLUTION FM-10-01**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the resolution below, allocating \$669,094,500 for the Fiscal Year (FY) 2010-11 Local Assistance lump sum allocation.

ISSUE:

In September 2010, the Commission passed Resolution FM-10-01, allocating \$678 million of federal funds for FY 2010-11. The initial allocation request was for \$1.36 billion; however, the Commission reduced the allocation request to \$678 million, contingent upon the passage of the 2010 Budget Act. At this time, the Department is requesting an allocation of the remaining \$669,094,500 in budget authority of the federal funds approved in the Budget Act of 2010.

BACKGROUND:

The Department's Local Assistance Program administers the local assistance subvention budget under delegated authority from the Commission. The Commission provides an annual lump sum allocation consistent with each fiscal year Budget Act.

In June 2010, the Commission passed Resolution FM-09-04, allocating \$128 million of State funds for the Department's Local Assistance Program for FY 2010-11. In September 2010, the Commission passed Resolution FM-10-01, allocating \$678 million of federal funds for FY 2010-11. This allocation represents the remaining half of the federal lump sum FY 2010-11 Budget Act levels.

As of March 31, 2011, local agencies have used 43 percent, or \$345 million of the \$806 million total allocation. This is higher when compared to last year's (FY 2009-10) allocation use of 18 percent, or \$147 million of the \$807 million total allocation. In FY 2009-10, the local agencies' project delivery was impacted due to the priority of delivering an additional \$1.6 billion in projects funded by the American Recovery and Reinvestment Act of 2009. The Department anticipates all funds allocated by the Commission for FY 2010-11 will be sub-allocated to local projects.

The Department estimates a total federal funding need of \$1.36 billion. This includes \$1.13 billion based on the obligation plans received from local agencies and \$0.23 billion for the following programs: Bridge Inspection, Railroad Grade Crossing Protection, Miscellaneous Unassigned Local Programs, and High Priority Projects. Approval of this request is necessary to ensure local agencies can be reimbursed for their project costs in a timely manner.

Page three of this Resolution provides a display of the revised allocation authority by category.

FINANCIAL RESOLUTION:

Resolved, that \$669,094,500 be allocated from the Budget Act of 2010, Budget Act Item 2660-102-0890 (1).
