

# Memorandum

To: CHAIR AND COMMISSIONERS  
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: September 22-23, 2010

Reference No.: 2.5c.(3) - **REVISED**  
Action Item

From: NORMA ORTEGA  
Chief Financial Officer

Prepared by: Steven Keck  
Division Chief  
Budgets

Subject: **FINANCIAL ALLOCATION FOR LOCALLY-ADMINISTERED STIP PROJECTS  
OFF THE STATE HIGHWAY SYSTEM  
RESOLUTION FP-10-10**

**CTC ACTION UPDATE: The California Transportation Commission approved the allocation requests for 13 local STIP projects, described on the attached vote list and contingent upon the passage of the 2010 Budget Act.**

## **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) defer an allocation of **\$1,909,000** for **13** locally-administered State Transportation Improvement Program (STIP) projects off the State Highway System, as follows:

- \$62,000 for two STIP projects; and
- **\$1,039,000** for **five** STIP Transportation Enhancement projects; and
- \$808,000 for six STIP Programming, Planning, and Monitoring projects.

The Department recommends deferral of all STIP projects due to insufficient allocation capacity.

## **ISSUE:**

The attached vote list describes **13** locally-administered STIP projects off the State Highway System totaling **\$1,909,000**, plus \$256,478 from local sources. Although the local agencies are ready to proceed with these projects, it is recommended that the Commission defer these allocations until sufficient allocation capacity becomes available.

It is anticipated that the sale of bonds will allow the Department to realign STIP projects with available capacity and allow for allocation of the attached projects.

**FINANCIAL RESOLUTION:**

**Resolved, that \$1,909,000 be allocated from the Budget Act of 2010, Budget Act Items 2660-101-0042 and 2660-101-0890 for 13 locally-administered STIP projects described on the attached vote list contingent on the passage of the 2010 Budget Act.**

5 \$147,000 San Francisco Municipal Transportation Agency MTC 04-San Francisco	Sunset Boulevard Pedestrian Safety Project. In the city of San Francisco, on Sunset Boulevard between Irving and Ocean Avenue. Install pedestrian signals with a countdown feature and accessible pedestrian signals (APS) for the visually impaired.  <u>Outcome/Output:</u> Pedestrian signals will provide a timer alerting the pedestrians of the time remaining to complete their crossing. The countdown is also useful information for motorists. Additionally, the installation of accessible pedestrian signals at these intersections will provide information to non-sighted or sight impaired users with audible cues, again information currently not conveyed with standard vehicle signals.	04-9098F RIP TE/10-11 PS&E \$147,000	2010-11 101-0890 FTF	\$147,000
