

Memorandum

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: March 16-17, 2016

Reference No.: 2.2c.(1)
Action Item

From: NORMA ORTEGA
Chief Financial Officer

Prepared By: Katrina C. Pierce, Chief
Division of
Environmental Analysis

Subject: **APPROVAL OF PROJECTS FOR FUTURE CONSIDERATION OF FUNDING**

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolutions E-16-09, E-16-10, E-16-11, and E-16-12.

ISSUE:

02-Plu-89, PM 19.8/20.8 **RESOLUTION E-16-09**

The attached resolution proposes to approve for future consideration of funding the following project for which a Negative Declaration (ND) has been completed:

- State Route 89 (SR 89) in Plumas County. Construct roadway improvements including streetscape features and drainage on a portion of SR 89 in the community of Greenville. (PPNO 3355)

This project in Plumas County will construct new curb and gutter, drainage upgrades, a center turn lane, and other improvements on SR 89 in the city of Greenville. The project is programmed in the State Transportation Improvement Program. The total estimated cost is \$5,397,000 for capital and support. Construction is estimated to begin in Fiscal Year 2016-17. The scope, as described for the preferred alternative, is consistent with the project scope programmed by the Commission in the 2014 State Transportation Improvement Program.

A copy of the ND has been provided to Commission staff. The project will result in less than significant impacts to the environment. As a result, an ND was completed for this project.

ISSUE:

03-Yol-275, PM 13.07
RESOLUTION E-16-10

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- State Route 275 (SR 275) in Yolo County. Replace a portion of the fender system on the Tower Bridge on SR 275 between the cities of West Sacramento and Sacramento. (PPNO 9427)

This project in Yolo County will remove and replace the fender system surrounding Pier 6 and Pier 7 of the Tower Bridge on SR 275 between the cities of West Sacramento and Sacramento. The project is programmed in the 2014 State Highway Operation and Protection Program. The total estimated cost is \$10,821,000 for capital and support. Construction is estimated to begin in Fiscal Year 2017-18. The scope, as described for the preferred alternative, is consistent with the project scope programmed by the Commission in the 2014 State Highway Operation and Protection Program.

A copy of the MND has been provided to Commission staff. The project will result in less than significant impacts to the environment after mitigation. The following resource areas may be impacted by the project: biological resources, cultural resources, hazardous materials, and water quality. Avoidance and minimization measures will reduce any potential effects on the environment. These measures include, but are not limited to, the use of sound attenuation devices, environmental awareness training for all construction personnel, new fender replacements matched with the design and appearance of the old fenders, appropriate BMPs for water pollution prevention, and the implementation of an approved Water Pollution Control Program. As a result, an MND was completed for this project.

Attachment 2

ISSUE:

03-Yub-20, PM 20.1/21.7, 03-Nev-20, PM 0.0/0.1
RESOLUTION E-16-11

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- State Route 20 (SR 20) in Yuba and Nevada counties. Construct roadway improvements on a portion of SR 20 near the community of Wildwood. (PPNO 9588)

This project in Yuba and Nevada Counties will realign curves and improve shoulders on SR 20 near the community of Lake Wildwood. The project is programmed in the State Highway Operation and Protection Program. The total estimated cost is \$25,370,000 for capital and support. Construction is estimated to begin in Fiscal Year 2017-18. The scope, as described for the preferred alternative, is consistent with the project scope programmed by the Commission in the 2014 State Highway Operation and Protection Program.

A copy of the MND has been provided to Commission staff. The project will result in less than significant impacts to the environment after mitigation. The following resource areas may be impacted by the project: cultural resources, and biological resources. Avoidance and minimization measures will reduce any potential effects on the environment. These measures include, but are not limited to, data recovery protocol to be followed for any archeological resources found on the project site, replacement trees to be planted in the project right-of-way where feasible, disturbed riparian habitat to be mitigated through on-site restoration, and a wildlife undercrossing to be constructed for wildlife migration. As a result, an MND was completed for this project.

Attachment 3

ISSUE:

05-Mon-68, PM 12.8/13.2
RESOLUTION E-16-12

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- State Route 68 (SR 68) in Monterey County. Construct roadway improvements to the intersection of SR 68 and Corral de Tierra Road near the city of Salinas. (PPNO 1813A)

This project in Monterey County will construct turn lanes, merge lanes, and other improvements to the intersection of SR 68 and Corral de Tierra Road near the city of Salinas. The project is programmed in the State Transportation Improvement Program. The total estimated cost is \$2,250,000 for capital and support. Construction is estimated to begin in Fiscal Year 2016-17. The scope, as described for the preferred alternative, is consistent with the project scope programmed by the Commission in the 2014 State Transportation Improvement Program.

A copy of the MND has been provided to Commission staff. The project will result in less than significant impacts to the environment after mitigation. The following resource area may be impacted by the project: biological resources. Avoidance and minimization measures will reduce any potential effects on the environment. These measures include, but are not limited to, ESA fencing to be installed around sensitive areas, project area will be revegetated with native species, preconstruction surveys to be conducted for nesting birds and estivating California tiger salamanders, and loss of California tiger salamander habitat to be mitigated at a 1:1 ratio. As a result, an MND was completed for this project.

CALIFORNIA TRANSPORTATION COMMISSION

Resolution for Future Consideration of Funding

02-Plu-89, PM 19.8/20.8

Resolution E-16-09

- 1.1** **WHEREAS**, the California Department of Transportation (Department) has completed a Negative Declaration pursuant to the California Environmental Quality Act (CEQA) and the State CEQA Guidelines for the following project:
- State Route 89 (SR 89) in Plumas County. Construct roadway improvements including streetscape features and drainage on a portion of SR 89 in the community of Greenville. (PPNO 3355)
- 1.2** **WHEREAS**, the Department has certified that the Negative Declaration has been completed pursuant to CEQA and the State CEQA Guidelines for its implementation; and
- 1.3** **WHEREAS**, the California Transportation Commission, as a responsible agency, has considered the information contained in the Negative Declaration; and
- 1.4** **WHEREAS**, the project will not have a significant effect on the environment.
- 2.1** **NOW, THEREFORE, BE IT RESOLVED** that the California Transportation Commission does hereby approve the above referenced project to allow for future consideration of funding.
