### **AUTHORITY AND REFERENCE**

Public Utilities Code section 99241 authorizes the Department to adopted proposed regulations with the advice and consent of the California Transportation Commission (CTC), which would amend and correct (CCR) sections 6640 and 6680.

### **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

The Department proposes to amend sections 6640 and 6680 in Title 21 of the CCR.

Public Utilities Code section 99241 authorizes and requires the Department to promulgate regulations to enforce the Transportation Development Act (Public Utilities Code section 99200 et seq.). The existing regulations were enacted in 1979 and have been amended several times to implement State and federal statutory and regulatory authority.

This proposed regulatory action will bring the regulations into conformance with Senate Bill 607, Statutes of 2009.

Section 6640 states how a transportation planning agency may be designated. Section 6680 identifies the kind of agency(s) that can be designated as a Consolidated Transportation Service Agency (CTSA). The proposed amendment reflects change brought about by Senate Bill 607 designating Imperial County Transportation Commission as the regional transportation planning agency for Imperial County, replacing Imperial Valley Association of Governments.
