Subject ACTION Needed: State MINOR Program for FY 2011/12

History:  This message has been forwarded.

Greetings MPO FTIP Coordinators,

Attached is the list of **State Minor Program** projects for FY 2011/12. Please prepare an administrative modification or amendment to program these projects in your 2011 FTIP.

Program **100** percent of the Total Project Cost (**Column Q** of the attached spreadsheet) to the CTIPS Program Category: "**CT Minor Pgm.**" and select fund type: "**SHOPP AC.**" Note: No state matching funds are required and all projects on this list are federalized for programming purposes.

These projects can be programmed through grouped project listings in the FTIP. The appropriate grouped project listing category for air quality non-attainment or maintenance areas is "**Grouped Projects for Safety Improvements, Shoulder Improvements, Pavement resurfacing and/or rehabilitation - Minor Program**". For areas classified as air quality attainment, projects that can be classified as "Categorical Exclusion (CE)" per 23 CFR 771.117 (c) and (d) can be grouped together by CE classifications.

Click on the link below for additional guidance pertaining to programming grouped project listings in air quality non-attainment and maintenance areas:
