Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Kings County Association of Governments (Kings CAG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
2	<b>State and Local Elements</b> <ul style="list-style-type: none"><li>• Adds, deletes, or modifies various projects from various funding programs in Kings County.</li></ul>

See enclosure.

The Kings CAG Board Resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me, I approve Kings CAG Amendment No. 2. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.
