Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Kings County Association of Governments (KCAG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
9	<b>State, Local, and Transit Elements</b>

- Amendment adds or modifies various projects in KCAG region. This amendment includes projects with funding from the following programs: Congestion Mitigation and Air Quality Improvement Program, Highway Bridge Program, Railway – Highway Crossing Program, State Highway Operation and Protection Program, Proposition 1B – Transportation Bond Program, and Local Transportation Funds.

See enclosure.

KCAG has certified that this amendment is financially constrained, is consistent with the adopted conformity analysis, and meets the requirements of public involvement procedures adopted by KCAG.

Pursuant to the authority delegated to me, I approve KCAG Amendment Number 9. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute eligibility determination of projects for federal funding.
