Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 2 to California's 2008/09-2011/12 Federal Statewide Transportation Improvement Program (FSTIP), which makes minor modifications to the FSTIP. Modifications are made to the following projects:

- PPNO 2250 – Plumas County. The year of construction was incorrectly listed as 2010/11. The year of construction has been corrected to 2008/09.
- PPNO 2251 – Plumas County. The year of construction was incorrectly listed as 2010/11. The year of construction has been corrected to 2008/09.
- PPNO 3368 – Modoc County. Right of way is being advanced from 20011/12 to 2010/11.
- PPNO 2399A – Trinity County. Right of way is being delayed from 2008/09 to 2011/12.
- EA 470601 – Lake County. This project is being added to FY 2008/09 of the State Highway Operations and Protection Program (SHOPP) grouped project listing for safety, collision reduction. The total cost of the project is \$1,773,000.

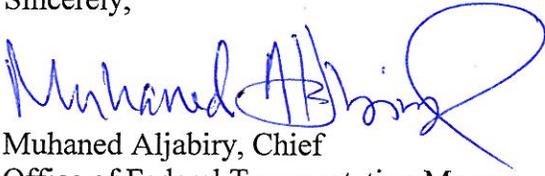

These changes are submitted as an administrative modification. The changes are within the quadrennial element; do not reflect a change in the design concept or scope of the project, or impact financial constraints. Funding is available for these modifications.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, this FSTIP modification has been amended into California's 2008/09-2011/12 FSTIP.

Please address any questions on this amendment to Penny Gray of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
