RE: Administrative Modification #25 (Type 1) to the Stanislaus Council of Government's 2009 FTIP

Mr. Aljabiry:

The Stanislaus Council of Governments (StanCOG) Policy Board has authorized its Executive Director to approve Administrative Modification #25 to StanCOG's 2009 FTIP. The purpose of this letter is to notify Caltrans, FHWA and the FTA that an administrative modification has been authorized and approved. A summary of changes to projects listed in the 2009 FTIP is attached as well as each project's corresponding CTIPS page. The financial tables have also been revised to reflect funding changes.

Modifications included in this Administrative Modification meet the criteria identified in the letter issued by FHWA on November 17, 2008, regarding revised Federal/Statewide Transportation Improvement Program Modification Procedures. Per these "Procedures", StanCOG is issuing "minor" changes related to project cost, selection or programming that do not interfere with the timely implementation of any approved TCMs project. None of the project modifications within this amendment require a re-determination of the air quality conformity analysis. Administrative Modifications to the FTIP used in lieu of Formal Amendments are not subject to FHWA approval.

Administrative Modification #25 modifies the following projects:

**City of Modesto:**

- Add: \$66,075 Local Match Funds to (CTIPS 21400000399) FFY 09/10 CON Phase

This Administrative Modification is in accord with Caltrans' Administrative Modification policy as the funding modification does not exceed 25% of total project

cost or \$5,000,000 for a single modification. All changes contained within do not modify the region's financial constraint.

If you have questions or comments regarding this Modification, please contact Vince Harris, Executive Director at 209-525-4600.

Sincerely,

*for* Vince Harris  
Executive Director
