Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting Administrative Modification No. 2 to California's 2010/11-2013/14 Federal Statewide Transportation Improvement Program (FSTIP), which makes modifications to the rural, non-Metropolitan Planning Organization portion of the 2011 FSTIP. These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

- This administrative modification modifies funding, changes the project description, and adds projects to the various grouped project listings. Projects included in this administrative modification are funded from the State Transportation Improvement Program, High Priority Projects Program, High Risk Rural Road Program, Highway Maintenance Program, and State Minor Program.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2011 FSTIP.

Please address any questions on this amendment to Lima Huy of my staff, at (916) 651-7411.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Aljabiry".

for
Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
