Subject: Amendment #12 (Types 2 and 3 Formal) to the 2013 Fresno Council of Governments FTIP

Mr. Jacobs:

The Executive Director of the Fresno Council of Governments as authorized by the Policy Board hereby approves Amendment #12 (Types 2 and 3 Formal) to the 2013 FTIP.

This amendment includes projects whose cost changes are greater than 40% of the total project cost or more than \$10 million, changes to the HBP and HSIP group listings and updates to the financial summary tables. FTIP Amendment #12 is consistent with the 2011 Regional Transportation Plan. The FTIP as amended meets all of the applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93. The funding changes do not interfere with the timely implementation of any approved TCMs, and the TIP as amended conforms to the applicable SIP. The changes do not interfere with air quality conformity or changes to conformity analysis years; therefore a new conformity determination is not required. State and Federal approval will be required.

Fresno COG conducted a 7-day public review and interagency consultation period that was completed on January 17, 2014 at 4:30 pm. Two comments were received. The public participation process for Amendment #12 is consistent with the Fresno COG board adopted public participation plan.

Included with this letter are two hard copies of Amendment #12 to the 2013 FTIP. An electronic copy of the four year financial plan will be sent via email. This amendment is available online at the Fresno COG website at www.fresnocog.org. If you should have any questions or comments, please feel free to call Lindsey Monge at (559) 233-4148, ext. 205.

Sincerely,

RE: Response to Comments to FCOG Amendment No. 12 to the 2013 Federal
Transportation Improvement Program (FTIP)

Fresno Council of Governments (FCOG) received 2 (two) comments to the 2013 FTIP Amendment No. 12. The public review and comment period began on January 10, 2014 and ended on January 17, 2014 at 4:30 p.m. Amendment No. 12 is posted on the FCOG website for public review at www.fresnocog.org.

Comment No. 1

Comment was submitted via phone call from Carol Carkins of the Caltrans Local Assistance Office of Bridge and Safety Program regarding FRE040401-LSTMP403.

The HSIP Grouped Project Listing was updated on 1/9/14 and included one change to a Fresno COG project. The description of FRE040401-LSTMP403 was altered to not include 'lighting'.

Response: The description has been updated as part of Amendment 12.

Comment No. 2

Comment was submitted via email from Peggy Arnest, the JARC and New Freedom coordinator at Fresno COG, regarding FRE040401-LSTMP403.

Lindsey,

These JARC grants from the Fresno County Economic Opportunities Commission and Fresno County Rural Transit Agency were approved by TTC and PAC and will be approved by the Policy Board on January 30, 2014. They need to be added to the TIP because their funding is FY 2012 which must be appropriated by September 30, 2014.

Peggy Arnest

Response: The projects were added via Amendment No. 12.
