

2019 NATIONAL SUMMER TRANSPORTATION INSTITUTE (NSTI) STEM* Summer Camp

The California Department of Transportation is soliciting Statements of Work (SOWs) from accredited colleges & universities to serve as one of four (4) host sites for the 2019 NSTI program.

- Host schools to be reimbursed up to \$50,000 in Federal Highway Administration (FHWA) grant, upon budget approval
- Program to serve 30-50 high school students, targeting participation of disadvantaged students
- Program must end by July 19, 2019
- Ten (10) students from the NSTI program at each host site will be competitively selected to attend the National Flight Academy (NFA) in Florida, held from July 21 to July 26, 2019.

*STEM – Science, Technology, Engineering and Math

A TRIP TO THE NATIONAL FLIGHT ACADEMY IN PENSACOLA, FLORIDA AWAITS!!!

National Flight Academy information can be found at <http://www.nationalflightacademy.com>
