

## **CALIFORNIA TRANSPORTATION COMMISSION CONFLICT OF INTEREST CODE**

The Political Reform Act, (Government Code Sections 81000, et seq.), requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730), which contains the terms of standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices designating positions and establishing disclosure categories shall constitute the conflict of interest code of the **California Transportation Commission (Commission)**.

Commissioners and the Executive Director shall file their statements electronically with the Fair Political Practices Commission. All other individuals holding designated positions shall file their statements of economic interests with the **Commission**, which will make the statements available for public inspection and reproduction.
