

# HOOPA FOUR PROJECT

## PROJECT OVERVIEW

The Hoopa Valley Tribe will fund the "Hoopa Four Project" through the Clean California initiative, an equitable state grant beautification program, led by Caltrans.

The project provides for the cleanup, enhancement, and beautification of four important spaces within the Hoopa community: Pookey's Park, the Hoopa Rodeo Grounds, Tish Tang Campground, and the Neighborhood Facilities.

These improvements will benefit the community by enhancing physical and mental well-being through recreation, along with safety and accessibility. Improving these spaces will also contribute to community pride and discourage litter and vandalism.

Locations for this project were chosen by the Hoopa community.
