

TISH TANG CAMPGROUND

Tish Tang Campground was returned to the Hoopa Valley Tribe in 2000. The 12-acre campground hosts 38 sites with easy access to the Trinity River.

Funds from the grant will renovate the ADA accessible restrooms, rehabilitate and improve existing trails and walkways with lighting and security cameras.

New barbecue grills, picnic tables, trash and recycle receptacles will be placed, along with a new water system and shower facility with sauna.

A viewing deck will be added, as well as a disc park, rehabilitation of the mural, additional artwork, a memorial and display signage.
