Morekwon Transit Park and Ride

PROJECT OVERVIEW

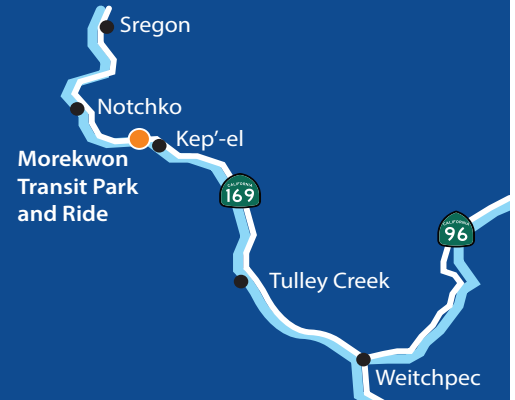

This site is located down the road from Wautech in the ancestral Yurok Village of Morekwon. It is UpRiver and near the town of Weitchpec in Humboldt County. We have a Head Start school and community center already in place at this location. This location is a stop on our transit route and is heavily used by the local community as a gathering place. A Transit Park and Ride, a playground with a protective fence around it and a shade canopy will be installed. Parking spaces for transit riders will be developed with a bus shelter. Additionally, benches, a picnic table, recycling bins, and a water bottlefilling station will be installed.
