## Tuolumne County Interchange Enhancement & Gateway Project At-A-Glance

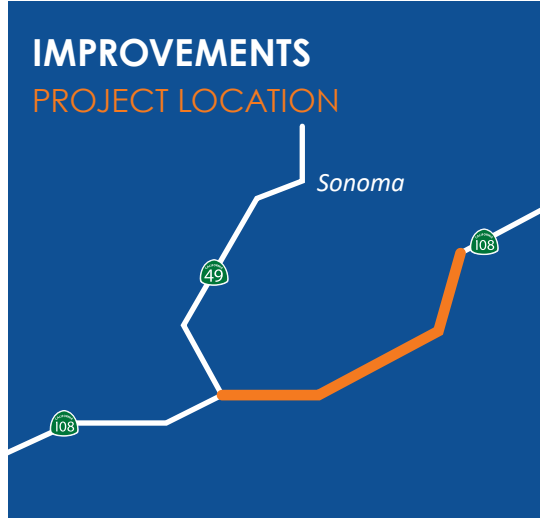

### PROJECT OVERVIEW

The proposed project will implement aesthetic treatments at the over-crossings and entrances to Sonoma. These gateway elements are intended to express local sense of place and identity. The aesthetic treatments are intended to contribute to local and regional character allowing residents and visitors alike to enjoy the beauty of the corridor, improve the county's public image and have a positive influence on Tuolumne County's tourist-based economy and welcome our visitors.

An additional site in City of Sonoma is proposed to add some beautification features (e.g. artistic fencing) to a vacant Caltrans Maintenance Yard at Mono Way/Greenley Rd. Additionally, it is proposed to add a gateway monument sign within the triangular shape state property that will remain after the SR 49/Parrots Ferry road intersection is realigned and currently under construction.

### PROJECT SCHEDULE

CCEP Approval:	11/30/2021
CC-SDR Approval (including ED)	7/29/2022
R/W Certification	10/30/2022
Ready to List (RTL)	10/31/2022
Advertise	12/1/2022
Award	1/31/2023
Construction Complete	6/16/2023
Construction Contract Acceptance (CCA)	6/16/2023
End Project	12/31/2023

### AT-A-GLANCE

<b>OVERALL TOTAL ESTIMATED COST</b>	\$958,000
<b>FUNDING SOURCE BREAKDOWN</b>	Clean California
