

The California Department of Transportation (Caltrans), in cooperation with Stanislaus County, would like to invite you to a virtual public information meeting for the State Route 132 Dakota Avenue to Gates Road Project, which will be constructed west of Modesto.

The purpose of the meeting is to update the community on the project's progress, to discuss project alternatives and the status of environmental studies, and to obtain your comments on the proposed project.

Due to the ongoing Covid_19 pandemic and the need to ensure public safety, this public meeting will be held online.

Caltrans and Stanislaus County are committed to providing transparency to the public throughout their projects, and using this online format allows us to continue that promise.

The online meeting will be Wednesday, October 7, 2020, from 5:00 p.m. until 7:00 p.m. Information on all aspects of work will be provided by engineers, environmental planners

and other team members on the SR-132 Dakota Avenue to Gates Road Project.
