*Making Conservation
a California Way of Life.*

May 4, 2020

Dear Members of the Public:

**Notice of Availability of the Draft Initial Study/Mitigated Negative Declaration for the
Calaveras County Bridge Rail Upgrade Project**

The California Department of Transportation (Caltrans) proposes to replace the existing bridge rails at the North Fork Mokelumne River Bridge at post mile 38.31 and the South Fork Mokelumne River Bridge at post mile 30.00 and to seismically retrofit the South Fork Mokelumne River Bridge on State Route 26 in Calaveras County.

This notice is to inform you that the proposed project's Initial Study with Proposed Mitigated Negative Declaration (draft environmental document) is available for public review and comment from May 4, 2020 to June 3, 2020.

- Due to the current COVID-19 pandemic, please contact Scott Guidi, at Scott.Guidi@dot.ca.gov for a printed version of this document.
- The draft environmental document is accessible online on the Caltrans District 10 website at <https://dot.ca.gov/caltrans-near-me/district-10>.

Please provide comments by June 3, 2020. Individuals who need auxiliary aids for communication are invited to make their needs and preferences known to Scott Guidi, Environmental Branch Chief, for this proposed project, at (209) 990-5719, or by e mail at Scott.Guidi@dot.ca.gov, or through a telecommunication device for the deaf (TDD) phone number (800) 735-2929, or 711. Please call Scott Guidi, Environmental Branch Chief Planner, at (209) 990-5719 if you have questions regarding this matter.

Sincerely,

C. Scott Guidi

Scott Guidi
Environmental Branch Chief
