

PROJECT INFORMATION

LOCATION

The project is located In San Luis Obispo County, Near Morro Bay on Highway 1 at Toro Creek.

PURPOSE

To address the poor health of the existing southbound Toro Creek Bridge and upgrade nonstandard bridge railing, nonstandard geometric features, and associated roadway approaches.

DESCRIPTION

The California Department of Transportation (Caltrans) proposes to remove and replace the existing southbound bridge structure at Toro Creek on State Route 1 in San Luis Obispo County at postmile 32.6. Project activities include vegetation clearing, pavement work, aesthetic treatments, upgrading guardrails, erosion control, temporary construction access, staging sites, and temporary traffic control.
