

Santa Margarita Sidewalk Gap Closure

San Luis Obispo County - State Route 58 - Post Mile 1.7/1.8 | Project 05-1R580 | Updated August 2026

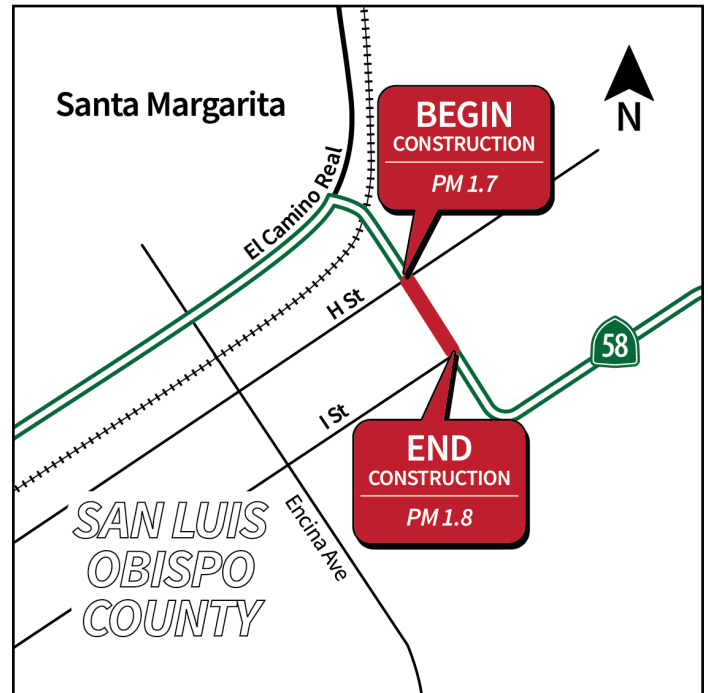

Description

The project will install sidewalk, curb, and gutter on the southbound side of State Route 58 between the school crossing at H Street and I Street. The sidewalk will be 6 feet wide and located at the back side of the curb. The project is entirely within State right of way.

Purpose

The purpose of this safety project is to address the sidewalk gap between the Santa Margarita Community Park (H Street) and I Street. Well-designed walkways and sidewalks improve the safety and mobility of pedestrians.

Location

In San Luis Obispo County in the community of Santa Margarita between H St and I St.

Estimated Funding

Fund Source	Minor A, State Funds
Construction Capital Estimate	\$1,000,000

Construction Schedule

Approve Project Report & Environmental Document	November 2026
Design Completion	Spring 2028
