

# SR 156 Improvement Project Union Road Closure

Closure/detour anticipated late June – late August

- Approximate 8-week closure of Union Road; detour via San Juan Hollister Road
- Late June – late August, weather permitting
- Necessary to reconstruct Union Road/SR 156 intersection to align and improve access with NEW highway
- Traffic control changes will be implemented to support detour traffic (next slide)
- Caltrans and SBCOG to push out closure, detour, and traffic control information to public in English and Spanish between now and start of closure
- After reopening, traffic will be shifted to the newly constructed SR 156 just south of the old highway

# SR 156 Improvement Project Traffic Control Changes
