STATE ROUTE 99 SELMA TO FOWLER PROJECT SCHEDULED TO ENTER NEXT STAGE OF CONSTRUCTION

UPDATED: Wednesday, March 22, 2023

The California Department of Transportation (Caltrans) in cooperation with Security Paving Company, announces the next stage of the Selma to Fowler Rehabilitation Project.

During the next stage of the Selma to Fowler Project, work will take place between Second Street in the City of Selma and Manning Avenue in the City of Fowler. The following changes are expected to begin the week of April 2, 2023. This next stage of work is scheduled to be complete early June 2023. Please see the attached map of the detours that will be made available.

The following ramp and lane closures will be in place:

- Northbound State Route 99:
 - The northbound State Route 99 off-ramp to State Route 43/Floral Avenue will be closed. Commercial traffic is encouraged to utilize the Mountain View Avenue exit.
 - The Floral Avenue on-ramp to northbound State Route 99 will be closed.
- Southbound State Route 99:
 - The southbound lanes of State Route 99 between Manning Avenue and Second Street will be reduced from three lanes to two lanes.

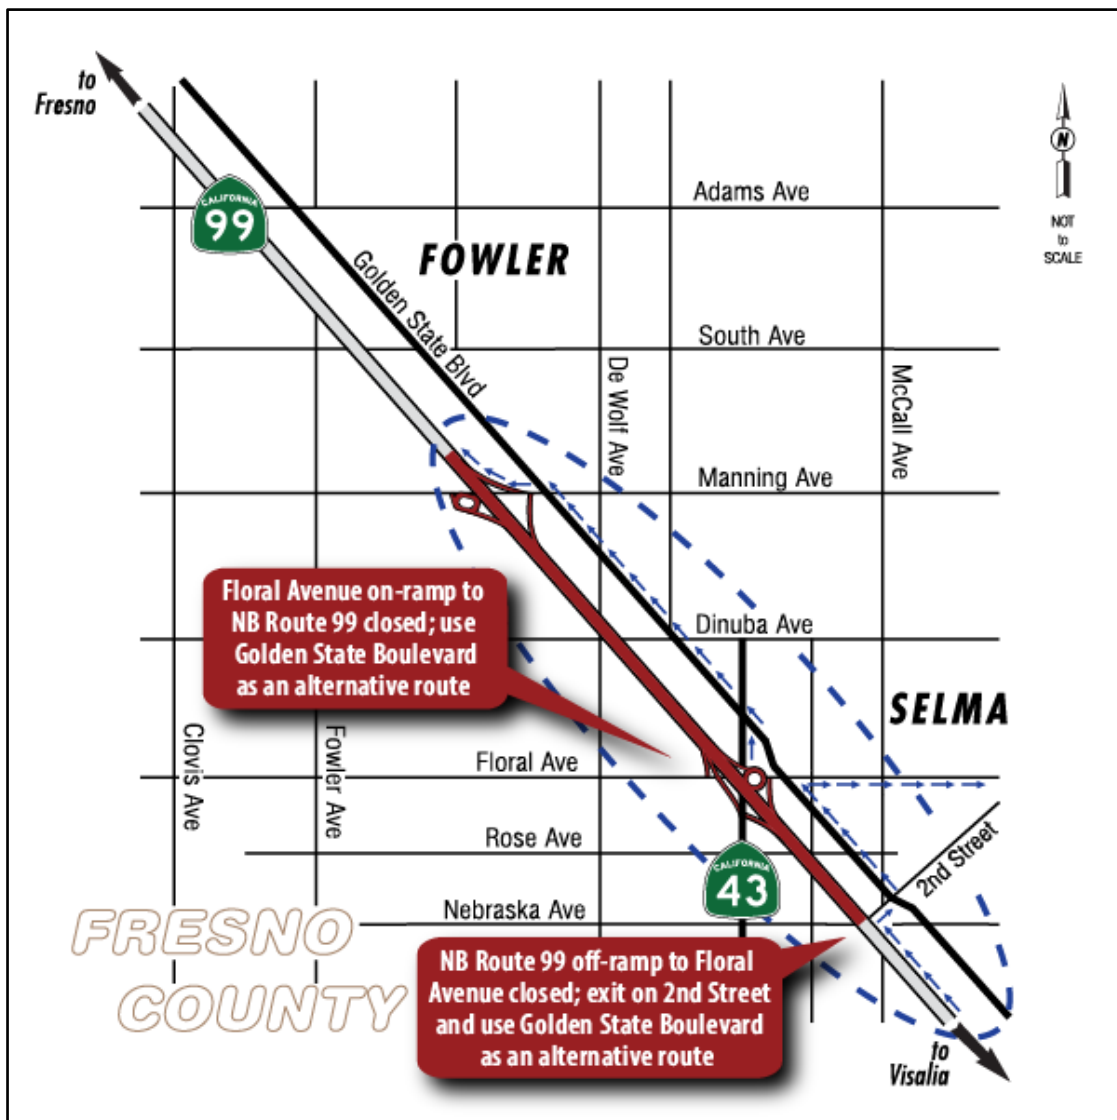

COMMUTER ALERT

Note: After completion of work on the above listed on and off-ramps, the ramps will be re-opened, and the following ramps will be closed:

- Northbound State Route 99 to Second Street off-ramp
- Northbound State Route 43 on-ramp to northbound State Route 99

Additional timeframes will be available as project completion advances.

Dates and closures are tentative and may continue for longer periods of time, if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.

COMMUTER ALERT

Caltrans reminds motorists to drive with extra care and allow for additional time while travelling in the area. Please be alert for CHP, Caltrans and Construction personnel and remember to "Slow for the Cone Zone."
