

Cross Agency Asset Management Forum

Expert Pavement Panel Discussion
Monday, May 22, 2023
1:00 to 2:30 p.m.

Session 1 - How is Pavement Condition Assessed

- ⇒ Christy Poon-Atkins, FHWA, Washington, DC will lead the discussion as we look at the various assessment methods being utilized (national metrics, PSR, PCI) and understand the differences between them.

Session 2 - Pavement Management Systems and Data Challenges

- ⇒ Rebecca Neves, City of Placerville and Gilbert Tsoi, LA County Public Works will give a brief city and county perspective in pavement management strategies.
- ⇒ Marcus Hunter, Caltrans Pavement Management will join the panel to answer questions on data availability and challenges.

Session 3 - Pavement Challenges and Best Practices

- ⇒ John Harvey, UC Davis will give an overview presentation and then draw on audience questions and perspectives.
- ⇒ Bobby Dosanjh, Caltrans Pavement Programming along with Christy Poon-Atkins (FHWA), Rebecca Neves (City of Placerville), and Gilbert Tsoi (LA County) will join the panel to answer questions and provide expertise.
