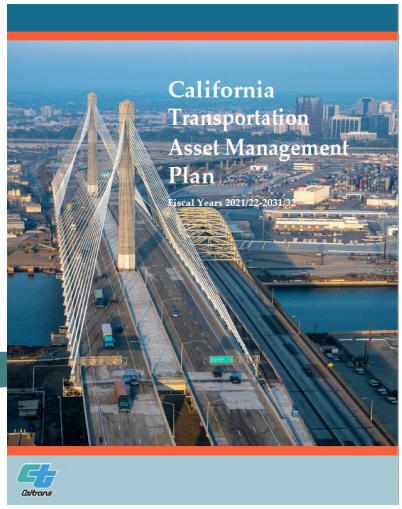
2026 Transportation Asset Management Plan (TAMP) Kick-off
Wednesday, March 26, 2025
1:00 to 4:00 p.m.



Please join transportation stakeholders from across California as we kick-off the 2026 Transportation Asset Management Plan (TAMP) development. The TAMP is required to be updated every 4 years and establishes the desired state of repair condition targets for National Highway System pavement and bridges.

This 2026 TAMP Kick-Off workshop will cover the following topics:

- Introductory remarks
- An overview of the TAMP requirements and development schedule
- Pavement and bridge inventory and conditions
- Setting condition targets

- Working with California cities, counties, and local governments ensures the successful development and implementation of the federally-mandated TAMP.

- This virtual workshop will be the first in a series of workshops that will culminate in the development of the 2026 California TAMP.
