PART I.
OVERVIEW
PART I. OVERVIEW

The California Department of Transportation (Caltrans) assures that no person shall, on the basis of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance, as required by Title VI of the Civil Rights Act of 1964, as amended, the Civil Rights Restoration Act of 1987, and Federal Executive Order 12898 (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations). Caltrans will make every effort to ensure nondiscrimination in all of its programs and activities, whether they are federally funded or not, and that services and benefits are fairly distributed to all people, regardless of race, color, or national origin. In addition, Caltrans will facilitate meaningful participation in the transportation planning process in a nondiscriminatory manner.

CALTRANS MISSION

Provide a safe and reliable transportation network that serves all people and respects the environment.

OFFICE OF CIVIL RIGHTS

Caltrans Office of Civil Rights (OCR) is dedicated to increasing the participation of Small Business (SB), Disadvantaged Business Enterprise (DBE), and Disabled Veteran Business Enterprise (DVBE) firms in both Federal and State contracting and procurement. OCR ensures non-discrimination in the execution of contracts and promotes positive external customer relations, following the eight codes of federal regulations 1:

- To ensure nondiscrimination in the award and administration of DOT-assisted contracts in the Department's highway, transit, and airport financial assistance programs.
- To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts.
- To ensure that the Department's DBE program is narrowly tailored in accordance with applicable law.
- To ensure that only firms that fully meet this part's eligibility standards are permitted as DBEs.
- To help remove barriers to the participation of DBEs in DOT-assisted contracts.
- To promote the use of DBEs in all types of federally-assisted contracts and procurement activities conducted by recipients.
- To assist the development of firms that can compete successfully in the marketplace outside the DBE program; and
- To provide appropriate flexibility to recipients of Federal financial assistance in establishing and providing opportunities for DBEs.

Part II.
DBE PROGRAM (FEDERAL)
PART II. DBE PROGRAM (FEDERAL)

The DBE Program is a legislatively mandated program implemented by the states as a condition of receiving federal funds via the Federal Highway Administration (FHWA) and Federal Transportation Administration (FTA) who oversees the program for their respective areas. Caltrans’ DBE Program is managed and administered by the OCR. Overall, it is the responsibility of the Caltrans Director to implement the Department’s Policy of nondiscrimination. The Director has delegated responsibility for developing, implementing, and monitoring the daily operations of the DBE Program to the DBE Liaison Officer, the Deputy Director of OCR.

Additionally, OCR coordinates efforts in collaboration with the 12 Caltrans districts located within California. Each district provides a District Small Business Liaison (DSBL) which serves as the primary contact for all small business-related concerns. DSBLs provide outreach and advocacy services within their respective districts.

Caltrans 2022-2024 overall DBE Participation goal is 22.2%.

BENEFITS OF DBE CERTIFICATION
A firm who is certified may benefit in the following ways:

- Certification is recognized by over 700 local agencies in California.
- Expands opportunities to participate in federally-funded projects.
- Become accessible to prime contractors needing to fulfill DBE participation goal requirements.
- Listing in official directories such as the DBE database used by prime contractors.
- Increase opportunities to network at events such as procurement fairs and pre-bids.
- Eligible for mentor protégé opportunities such as Caltrans’ Calmentor programs.
- **No fees to apply**, except the cost of having your application notarized.

DBE ELIGIBILITY
All firms must meet the DBE eligibility to become certified. The DBE basic eligibility requirements are listed below:

- **Societal and Economic Disadvantage**: A disadvantaged owner must be a U.S. Citizen (or resident alien) and meet the federal definition of socially and economically disadvantaged as defined in the Code of Federal Regulation 49 CFR Part 26.67. Presumptive groups include women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Subcontinent Asian-Americans, or any individual found to be socially and economically disadvantaged on a case-by-case basis.

- **Personal Net Worth**: Only disadvantaged persons having their personal net worth (PNW) of less than $1.32 million can be considered as a potential qualified DBE.
• **Business Size Standard**: A firm (including affiliates) must be a small business as defined by the U.S. States Small Business Administration. Average annual gross receipts over the previous three fiscal years may not exceed $26,290,000 ($56,420,000 for airport concessions in general, with some exceptions). Lower size standards may apply depending on business activity determination.

• **Ownership**: Must be a for-profit small business, where socially and economically disadvantaged individual(s) own at least 51 percent interest in the firm.

• **Independence**: The business must not be affiliated with another firm in such a way as to compromise its independence and control.

• **Management and Control**: The DBE owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day decisions, as well as long term decisions on matters of management, policy, and operations.

**DBE APPLICATION**
Applications are completed electronically, please visit the [California Unified Certification Program](#) to apply. You will need to create an account in the system to complete your certification application.

Information needed to create your account:
- Firms Tax ID
- Business Information
- Contact Information
- Company Contact Person

Creating an account will allow you to:
- Complete your application
- View your profile
- Complete Annual Update Affidavits

Although Caltrans uses an electronic system, paper applications are also accepted. For a copy of the certification forms or more information please visit [Civil Rights | Caltrans](#).

For Assistance with your DBE Application call (916) 324-1700 or email [DBE.Certification@dot.ca.gov](mailto:DBE.Certification@dot.ca.gov)

**DBE SUPPORTING DOCUMENTS CHECKLIST**
The DBE application includes a supporting documents checklist on the last pages of the application. The checklist is a list of all items and supporting documentation that will be needed when submitting your application. This checklist can be cross referenced with your application prior to submission.

Required Documents for All Applicants
 Résumés (include employment with dates) for all owners and key personnel of the applicant firm
 Personal Net Worth Statement for each socially and poor owners who the applicant firm relies upon to satisfy the Regulation’s 51% ownership
 Personal Federal tax returns for the past 3 years if applicable
 Federal tax returns (and requests for extensions) filed by the firm and its affiliates, for the past 3 years
 Documented proof of contributions used to acquire ownership
 Signed loan and security agreements, and bonding forms List of equipment and/or vehicles owned and leased including VIN numbers, copy of titles, proof of ownership, insurance cards
 Title(s), registration certificate(s), and U.S. DOT numbers for each truck owned
 Licenses, license renewal forms, permits, and haul authority forms
 Descriptions of all real estate (including office/storage space, etc.) and documented proof of ownership/signed leases
 Documented proof of any transfers of assets to/from your firm and/or to/from any of its owners over the past 2 years
 DBE/ACDBE and SBA 8(a), SDB, MBE/WBE certifications, denials, and/or decertification’s, if applicable; and any U.S. DOT appeal decisions on these actions
 Bank authorization and signatory cards
 Schedule of salaries (or other remuneration) paid
 List of all employees, job titles, and dates of employment
 Proof of warehouse/storage facility ownership or lease arrangements

Partnership or Joint Venture
 Original and any amended Partnership or Joint Venture Agreements

Corporation or LLC
 Official Articles of Incorporation (signed by the state official)
 Both sides of all corporate stock certificates and your firm’s stock transfer ledger
 Shareholders’ Agreement(s)
 Minutes of all stockholders and board of director’s meetings
 Corporate by-laws and any amendments
 Corporate bank resolution and bank signature cards
 Official Certificate of Formation and Operating Agreement with any amendments (for LLCs)

Optional Documents to Be Provided on Request
 The certifying agency to which you are applying may require the submission of the following documents. If requested to provide these documents, you must supply them with your application or at the on-site visit.

 Proof of citizenship
 Insurance agreements for each truck owned or operated by your firm
 Audited financial statements (if available)
 Trust agreements held by any owner claiming disadvantaged status
 Year-end balance sheets and income statements for the past 3 years (or life of firm, if less than three years)
NAICS AND WORK CODES
Caltrans uses the North American Industry Classification System (NAICS) and agency created Work Codes to help classify firm’s primary business functions.

When completing your certification profile, please list NAICS codes to describe your primary business functions. Based on the NAICS codes you provide, Caltrans will determine corresponding work codes. You can request to update your NAICS codes by emailing dbe.certification@dot.ca.gov.

### DBE COMMERCIALY USEFUL FUNCTION

A DBE must perform a commercially useful function (CUF). Caltrans evaluates whether a DBE is performing a CUF on a contract every time a DBE is listed to work.

- The DBE is certified to conduct the work (proper codes).
- If acting as a supplier or “regular dealer,” the DBE has a warehouse, open to the public during normal business hours, that sells the same supplies that the DBE is providing.
- If acting as a regular dealer, the DBE has control and custody of the item before it is sent to the prime.
- The DBE owner exercises control over the day-to-day business, and has the ability, skills, and knowledge to run the business.
- The DBE is not an “extra participant” or pass-through.
- A DBE trucker cannot lease more trucks than it owns.

- Additional requirements apply to trucking operations (Title 49 CFR 26.55):
  - The DBE must be responsible for the management and supervision of the entire trucking operation for which it is responsible on a particular contract, and there cannot be a contrived arrangement for the purpose of meeting DBE goals.
  - The DBE must own and operate at least one fully licensed, insured, and operational truck used on the contract.
  - The DBE receives credit for the total value of the transportation services it provides on the contract using trucks it owns, insures, and operates using drivers it employs.
  - The DBE may lease trucks from another DBE firm, including an owner-operator who is certified as a DBE. The DBE who leases trucks from another DBE receives credit for the total value of the transportation services the lessee DBE provides on the contract.
  - The DBE may lease trucks without drivers from a non-DBE truck leasing company. If the DBE leases trucks from a non-DBE truck leasing company and uses its own employees as drivers, it is entitled to credit for the total value of these hauling services.
  - A lease must indicate that the DBE has exclusive use of and control over the truck. This does not preclude the leased truck from working for others during the term of the lease with the consent of the DBE, so long as the lease gives the DBE absolute priority for use of the leased truck. Leased trucks must display the name and identification number of the DBE.

PART III.
SB AND DVBE PROGRAMS (STATE)
PART III. SB AND DVBE PROGRAMS (STATE)

The Department of General Services is California’s certifying agency that administers the SB and DVBE certification programs. The purpose of the certification program is to promote and increase SB, SB-PW, and DVBE, participation in state contracting. Certification is valid for two years and requires biennial renewal.

**Overall State Mandated Participation Goals**
- Small Business (including SB-PW and Microbusiness): 25%
- DVBE Participation goal: 3% (Caltrans has a 5% aspirational goal)

**SB/DVBE BENEFITS**
- 5% Bid Preference (SB only)
- SB/DVBE Option
- 5% DVBE Incentive (DVBE only)
- Listing in Statewide SB/DVBE Department of General Services’ certified firm database
- Invitation to procurement fairs and pre-bid meetings
- Prompt Payment Act

**SB ELIGIBILITY**
- Independently owned and operated
- Not dominant in their field of operation
- The principal office must be located in California
- Owners must live in California
- Have 100 or fewer employees (200 for SB-PW) and an average annual gross receipt of $15 million or less ($36 million or less for SB-PW) over the last three tax years
  *There may also be other size standard restrictions from the Small Business Administration that are applicable
- Small Business will automatically be designated a Microbusiness (MB) if gross annual receipts are less than $5 million or if it is a manufacturer with 25 employees or less

**DVBE ELIGIBILITY**
- At least 51% owned by one or more disabled veterans
- Veteran(s) must reside in California
- Daily business operations must be managed and controlled by one or more disabled veterans
- Home office must be located in the U.S.
- “Disabled Veteran” means a veteran of the U.S. military, naval, or air service and has a service-connected disability of 10% or more
STATE BIDDER REGISTRATION PROCESS
To register to do business with the State, visit Cal eProcure. Click Login/Register in the right-hand corner, then click “Register as a New Bidder”.

- Set up Company Profile
- Enter Primary Address
- Establish User Accounts
- Manage Bidder Notifications
- Terms and Conditions

You will receive an email with your temporary password after receiving email confirmation of your user ID and password. Log in using your user ID and temporary password from your email. For questions about bidder registration, please call 1-855-421-6355 or email vendors@fiscal.ca.gov

SB/DVBE CERTIFICATION APPLICATION
To get certified as an SB/DVBE visit Cal eProcure, you must be logged in to complete the certification process.

- The below items are required to complete the electronic application.
- Applicant/Affiliate most recent three years Federal Tax Returns
- Federal Employer Identification Number
- Secretary of State Number
- Home address of Officer, Members/Managers and Partners
- Dun & Bradstreet Number (if applicable)
- Contractors State License Board Number (if applicable)
- List of keywords describing your business activities to help your business be appropriately identified in a search of certified firms.

SB/DVBE OPTION
The SB/DVBE option is a streamlined process that allows for state agencies and departments to contract directly with SB/DVBE certified firms for Goods, Services, Information Technology, and Public Works projects. The buyer must obtain price quotes from at least two California certified SBs OR DVBEs.

<table>

For more information on the SB/DVBE option please visit: Resources (ca.gov) or email: advocate@dgs.ca.gov
KEYWORDS AND UNITED NATIONS STANDARD PRODUCTS SERVICES CODES (UNSPSC)

Keywords describe a good or service your business provides, buyers are able to find your business through keyword searches. UNSPSCs are eight-digit codes that identify a good or service. Each code is part of a hierarchy with four levels. Level 1 describes a broad group of codes with level 4 describing very specific goods. DGS created a helpful Keyword and UNSPSC Guide to use while completing your profile.

When completing your certification profile on Cal eProcure, list keywords and UNSPSCs to identify the goods and services you provide.

- Always enter keywords individually in a list format, not in sentence form
- List synonyms and variations of words
- List general categories of products and services
- Look at certification profiles of business in your industry
- Update your profile as needed

<table>

</table>
| United Nations Standard Products and Services Codes (UNSPSC) | California State Agencies | The United Nations Standard Products and Services Code® (UNSPSC®), managed by GS1 US™ for the UN Development Program (UNDP), is an open, global, multi-sector standard for efficient, accurate classification of products and services. It is a four-level hierarchy coded as an eight-digit number, with an optional fifth level adding two more digits. | Used to conduct analysis and support California procurement efforts
- Used to certify business
- Follows hierarchical tree structure from generalized to more specific classification
- Not used for DBE Program
- Used for State contracts Used to search for SB/DVBE |

SB/DVBE COMMERCIALY USEFUL FUNCTION

A SB/DVBE must perform a commercially useful function (CUF) when participating on any state contract as a contractor, subcontractor, or supplier of goods and/or services. This means when a quote or a bid is submitted either directly to the state or a prime contractor, the certified SB or DVBE must demonstrate the ability to perform CUF on the specific contract work they are committing to provide.

A SB/DVBE certified firm performs CUF when doing all of the following:

- Executes a distinct element of the contract scope of work including supplying of goods/services.
• Performs, manages, or supervises the work including supplying of goods/services.
• Performs work that is normal for the firm’s business services and functions.
• Is responsible, with respect to products, inventories, materials, and supplies required for the subcontract, negotiating price, determining quality and quantity, ordering, installing (if applicable), and paying for the material.
• Does not subcontract a portion of the work greater than expected by industry practices.

For more information about CUF, please visit the [Commercially Useful Function for Certified Firms (ca.gov)](ca.gov).

**ADDITIONAL SB/DVBE RESOURCES**

PART IV.
PROCUREMENT INFORMATION
PART IV. PROCUREMENT INFORMATION

GOODS AND SERVICE CONTRACTS

Cal eProcure is an online portal designed to improve the experience of businesses selling products and services to the state of California. Cal eProcure gives businesses access to bidding and contracting resources all in one location.

STATEWIDE PROCUREMENT AND SERVICE CONTRACTS

Search solicitations, also called “events” on the Cal eProcure website.

- Browse through the current statewide contracts listed for all agencies.
- OR
- Enter 2660 in the department box to search Caltrans only
- Click “advanced search criteria”
- Search using the UNSPSC codes listed on your profile for the products and/or services you offer

PAST PURCHASES AND BUYER CONTACT INFO

View the State Contract & Procurement Registration System (SCPRS) database to find past procurement purchase information, including purchase price and buyer information,

- Type 2660 in Department Box (Caltrans department code)
- Type a keyword in Description Box (metal, steel, office supplies etc. – whatever you sell)
- Click Search
- A list will populate below with past purchase data for you to review, scroll right to view “Buyer Name and Buyer Email”
- Feel free to reach out to the buyers with your business information, please limit follow up calls/emails to once per month

CAL CARD

Caltrans participates in the CAL-Card Program (VISA) to acquire goods and services less than $10,000. Vendors who have the ability to accept VISA cards are better able to participate in procurement opportunities involving these types of purchases.

Note: CAL-Card Holders cannot use a third party to process Visa card payments unless the seller’s (vendor’s) name is also printed on the Statement of Account and invoice.

LEVERAGED PROCUREMENT AGREEMENTS

Leveraged Procurement Agreement (LPAs) allow departments to buy directly from suppliers through existing contracts and agreements. LPAs are available to California’s state, county, city, special district, education, and other government entities.

For more information on LPAs please visit:
Leveraged Procurement Agreements (ca.gov)
For a list of LPAs please visit:
Find State Contracts (ca.gov)
CALIFORNIA MULTIPLE AWARD SCHEDULES
California Multiple Award Schedules (CMAS) are a type of LPA. CMAS contracts offer a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable, and competitive. The CMAS Program creates a pool of suppliers that an agency can solicit offers from. When utilized correctly, CMAS streamlines the procurement process. This form of procurement differs from the competitive bid process. The use of CMAS is optional and is available to state and local government agencies.

For more information please visit: California Multiple Award Schedules

For DGS CMAS portal please visit: CMAS login - California Multiple Award Schedule (service-now.com)

PRODUCT EVALUATION PROGRAM (PEP)
Caltrans Product Evaluation Program (PEP) is dedicated to the objective, impartial, consistent and timely evaluation of products for use in the construction, maintenance, and operation of the State’s transportation system. This includes new products and products to be added to existing Authorized Material Lists (AMLs).

COVID-19 PROCUREMENT
More information can be found on the statewide COVID-19 procurement website, including a form to list resources you have to contribute to support California’s response to COVID-19.

DIVISION OF PROCUREMENT AND CONTRACTS
Assists Caltrans’ districts and programs in procuring Information Technology (IT), non-IT commodities, service contracts, Architectural and Engineering (A&E) contracts, and minor Public Works contracts. Use the e-procurement website Cal eProcure to find Caltrans contracts.

For more information visit:
Procurement and Contracts (DPAC) | Caltrans

For more information visit:
Cal eProcure
PART V.
CONTRACTING INFORMATION
PART V. CONTRACTING INFORMATION

CONTRACTOR’S CORNER
Learn more about available projects, bidding, contract awards, and cost data on Caltrans Contractor’s Corner website.

CONSTRUCTION LOOK AHEAD REPORT
Search for potential construction projects up to 24 months in advance in the 24-Month Advertise Look Ahead.

CURRENTLY ADVERTISED CONSTRUCTION PROJECTS
Search all currently advertised major construction contracts at DES-PPM&OE - All Advertised Projects (ca.gov).

CONSTRUCTION BID ITEMS (FOR SUBCONTRACTORS AND SUPPLIERS)
Search all current major construction contracts to find bid items that your firm may be able to offer products or services on.

Use the “keyword search” box to search projects statewide, the first two numbers of the project will indicate what district the project is in. The Caltrans district map can be found here: Caltrans Near Me | Caltrans

CALTRANS ELECTRONIC BIDDING
Electronic bidding for major construction contracts is available through Bid Express. To bid over the internet, bidders must download the bidding software, create a new Digital ID, and submit a request to bid with Caltrans through Bidx.com. To establish a Digital ID, there are monthly account fees starting at $40.00 and a one-time fee of $100.00 paid to Bid Express.

You must first obtain two identification numbers in order to submit bids electronically to Caltrans, please allow at least seven days to complete this process.

- ID #1: Bidder ID (this is your Caltrans bidder registration number)
- ID #2: Digital ID (this is your electronic signature)

Please note: you will need to submit notarized paperwork to Bid Express to obtain this ID.

For more information visit Caltrans Electronic Bidding.

ARCHITECTURAL & ENGINEERING CONTRACTS
Caltrans Division of Procurement and Contracts (DPAC) has information about professional service contracts. You’ll find links to the A&E contract look ahead report, current A&E contract advertisements, and upcoming outreach events.

- Learn more about available A&E projects at A&E Advertisements | Caltrans.
- Please see the 24 Month Look Ahead Report for information about upcoming projects.
- Visit the A&E Outreach Event Calendar: A&E Outreach Events | Caltrans
LABOR COMPLIANCE
Caltrans’ Division of Construction maintains a labor compliance program to ensure payment of prevailing wages and equal employment free of harassment and discrimination for workers on Caltrans projects.

For more information visit: Construction | Caltrans

PROMPT PAYMENT
Prompt payment ensures contractors are paid for work in a timely manner is critical to the success of Caltrans’ public works contracts. Timely payment for all work performed enables businesses to effectively manage resources and sustain operations, including payment of employees’ salaries and other direct and indirect costs. While access to capital is an issue for many contractors, it is particularly significant for small businesses who may be operating with limited resources. These small businesses, which include certified Small Business (SB), Small Business for Public Works (SB-PW), Disabled Veteran Business Enterprise (DVBE), and Disadvantaged Business Enterprise (DBE) firms, rely heavily on timely payment for work performed to fulfill obligations.

California Public Contract Code section 10262.5 directs prime contractors to pay all subcontractors for work within 7 days of the prime contractors’ receipt of progress payment for the subcontractors’ work. The State must pay prime contractors within 30 days of an approved invoice. Visit the Major Construction Payment and Information website to determine when a prime contractor has been paid.

Subcontractors have the right to file a Stop Payment Notice form if a prime fails to pay with in the seven-day payment period. Stop Notices should be sent directly to the Division of Accounting on the address listed on the firm or emailed Kathene.ODA@dot.ca.gov.

Prime contractors or subcontractors experiencing a prompt payment issue should notify the project RE or the district’s Labor Compliance Manager. Subcontractors can find contact information on the Caltrans’ Labor Compliance website. In addition, each Caltrans district has a District Small Business Liaison (DSBL) who is available to answer questions about prompt payment requirements and assist in the resolution of payment disputes.

OCR’s Compliance Branch accepts complaints and requests for investigations involving Caltrans contracts, these requests can be made by both prime contractors and subcontractors. For more information, please contact dbe.compliance@dot.ca.gov or dvbe.compliance@dot.ca.gov.

PREVAILING WAGE
State (CA Labor Code 1720-1815) and federal (Davis-Bacon and related Acts) labor laws require contractors working on public works projects to pay prevailing wages to their employees. These laws also set guidelines for overtime, length or shifts of workday, substantiation of wages, fringe benefits paid, and covered work and non-covered work.

Visit the Department of Industrial Relations (DIR) website for more information on prevailing wage.
Although Caltrans recognizes DBE, SB, and DVBE certifications, additional local, state and federal certifications are available. Listed below are additional certifications that may be applicable to your firm.

- Airport Concession Disadvantaged Business Enterprise (ACDBE)
- Department of Housing and Urban Development (Section 3 Business)
- Disadvantaged Business Enterprise Federal Transit Administration (DBE FTA)
- Emerging Local Business Enterprise (ELBE)
- Historically Underutilized Business Zone (HUBZone)
- Local Business Enterprise (LBE)
- SBA Federal Business Development Program (Federal 8A)
- Service-Disabled Veteran Owned Small Business (SDVOSB)
- Small Disadvantaged Business (SDB)
- Small Local Business Enterprise (SLBE)
- Women Owned Small Business (WOSB)
