*Search by Business Name, Certification Type, NAICS Classifications, and more!

*When searching for a specific firm, use the Business Name function **OR** the Certification ID function, but not both together as they may cancel each other out.

Results: You can click on each individual firm to find their information or download and save the list.

- Keep in mind:

List is randomized, so every search brings up new firms.

User should make sure to look through entire list and check prospective firms' classifications/licenses to make sure you find what you need.

Database is constantly being updated, so it may be worth doing a new search every time in order to have the most up-to-date information available.

*Search by District, County, Work Category Code, License Type, NAICS Categories to find what you need!

*Search for a specific firm by Name **OR** by Certification, as using both could cancel each other out.

*DBE contract goals are set by searching District availability, so best bet is to search by District if trying to meet a contract goal requirement.

Results: Listings are in alphabetical order and include names, contact information, type of work performed, and more.
