

DISTRICT 12	EA 12-0R360	SHOPP ID 20638
COUNTY: ORANGE ROUTE: 39		
PROJECT POSTMILES: PM 0.0/8.5	PHASE: PA&ED (ENVIRONMENTAL)	
APPROVED BY: DONNA BERRY, CHIEF ENGINEER, JULY 10, 2026		

Seven Curb Ramps previously identified at Project Initiation have been eliminated from this project due to right of way constraints. Five are outside State right of way, one was recently upgraded by a private development project, and one was a miscount. These are at driveway entrances to a shopping center in the vicinity of MacDonald St. from Postmile 5.3 to 5.4 in the right of way of a local agency.

SHOPP funds cannot be used on improvements outside State right of way. The District shared the proposed scope with local government and will discuss any possibilities of doing work in the future.
