Job Title Consulting Engineer

Begin Date: 05/01/2011

Employer Name Self-Employed

Duties/Projects:

 1

My consulting business focuses on dispute resolution and partnering in addition to municipal civil projects. I have worked on several large construction contracts as a partnering coordinator at the request of the contractor as well as numerous projects as a DRB member or DRA.

 **PAST WORK EXPERIENCE**   *Please enter your most recent experience first*

Job Title Construction Manager

Employer Name Caltrans

From: 11/1/1988 To: 05/01/2011

	Duties/Projects	Begin Date	End Date
1	Managed a heavy highway and bridge construction program that had up to \$500 Million of contracts on the ground at one time. I managed a staff of up to 150 professional engineers, geologists, technicians and administrative staff. I worked diligently with my senior staff in the resolution of construction disputes on various topics from differing site conditions on bridge foundations to permit violations to earthwork or paving discrepancies. I have negotiated with contractors and subcontractors in dispute resolutions and have chaired various district claims hearings to resolve disputes while finalizing projects. I championed the use of partnering on construction contracts as a way of working together to resolve issues and incorporating the DRB process into the partnering process.	06/01/2003	05/01/2011
2	Responsible for the design and construction of the Highway Maintenance Program and the Major Damage Program for the District 1 area. The Maintenance Program involved all types of pavements, drainage systems and bridge and building repair and construction. The Major Damage Program involved working closely with Caltrans staff and the various contractors and suppliers to meet the immediate needs of opening and restoring the highway after a damaging event. Extensive field inspections along with geotechnical investigations and decisive action were needed to facilitate the emergency nature of the program.	11/01/1988	06/01/2003
