ONGOING CONSULTING SERVICES *Please enter your most recent experience first*

Job Title VP/Owner

Begin Date: 08/13/2015

Employer Name Ott-Sakai and Associates, LLC

Duties/Projects:

- 1 Ott-Sakai & Associates, LLC is a group of construction professionals providing constructability reviews, cost estimating, scheduling, and value engineering. We provide support for the planning, design, and delivery of predominately heavy highway projects. Approaching projects from a General Contractor's point of view, we address the details of subcontracting, staging and phasing, cost effective construction alternatives, and maintenance of traffic to minimize conflicts that could result in claims and unexpected additional construction costs. Projects are predominately heavy civil for Agencies such as WSDOT, Sound Transit, Tri-Met, ODOT ITD, and many local agencies

PAST WORK EXPERIENCE *Please enter your most recent experience first*

Job Title Owner

Employer Name Ott Construction Consultants

From: 05/01/1998 To: 08/13/2015

	Duties/Projects	Begin Date	End Date
1	Ott Construction Consultant was the predecessor to Ott-Sakai. I was providing constructability reviews, cost estimating, scheduling, and value engineering to the designers of predominately heavy highway projects. By approaching projects from a General Contractor's point of view, we address the details of subcontracting, staging and phasing, cost effective construction alternatives, and maintenance of traffic to minimize conflicts that could result in claims and unexpected additional construction costs. In 2015, an employee and I formed Ott-Sakai and Associates to continue these services.	05/01/1998	08/13/2015
