SUBCONTRACTING

The Subletting and Subcontracting Fair Practices Act requires prime contractors to list, at bid time, all subcontractors who will perform work in excess of one-half of one percent of the total bid amount or \$10,000, whichever is greater. For building projects, subcontractors who will perform work in excess of one-half of one percent must be listed. The prime must use those subcontractors as listed at bid time unless a written substitution is requested and approved in writing by the contract manager **before** substitution.

Reference: California Public Contract Code (PCC) §4100-4114; Contract Provisions

The prime contractor is responsible for work performed and compliance met by subcontractors and owner-operators.

Failure to comply with the requirements of the Subletting and Subcontracting Fair Practices Act may result in a penalty of zero to ten percent of the subcontract involved and a referral to the California Contractors State License Board. *Reference: PCC §4110-4111*

DISADVANTAGED BUSINESS ENTERPRISE (DBE)

All DBEs must perform a commercially useful function (CUF) to count for contract participation.

Compliance with the Subletting and Subcontracting Fair Practices Act applies for all listed DBE subcontractors.

The prime contractor must notify the contract manager in writing of anticipated substitutions of listed DBEs before starting the affected work.

DBE contract goal: percent.
