Change Requested by: Engineer Contractor

CHANGE ORDER NO.	SUPPL. NUMBER	CONTRACT NUMBER	CO-RTE-PM	FEDERAL NUMBER(S)
------------------	---------------	-----------------	-----------	-------------------

TO _____, **contractor**

*You are directed to make the following changes from the plans and specifications or do the following described work not included in the plans and specifications for this contract. **NOTE: This change order is not effective until approved by the engineer.***

Description of work to be done, estimate of quantities, and prices to be paid. (Segregate between additional work at contract price, agreed price, and force account.) Unless otherwise stated, rates for rental of equipment cover only such time as equipment is actually used and no allowance will be made for idle time. The last percentage shown is the net accumulated increase or decrease from the original quantity in the Bid Item List.

In accordance with Section 4-1.05, "Changes and Extra Work," of the *Standard Specifications* -

Furnish all labor, material, equipment, tools and incidentals to implement temporary traffic control speed limit reduction in the construction work zone by reducing the posted speed limit by 10 miles per hour (mph) from XX MPH to XX MPH when temporary roadway activities affect traffic twenty-four seven (24/7) or when lane closures and/or shoulder closures affect traffic. <Refer to the attached Sheet ___ of ___ of this change order.>

Implementation includes, but is not limited to, installation, maintenance, and removal of radar speed feedback signs, portable changeable message signs, and other speed limit reduction signage. Comply with Section 12, "Temporary Traffic Control," of the *Standard Specifications*.

Remove or cover all existing speed limit signage that conflicts with speed limit reduction in the construction work zone when temporary roadway activities affect traffic. Replace or uncover all existing speed limit signage when speed limit reduction is no longer required.

Remove or cover speed limit reduction signage when traffic is no longer affected by temporary roadway activities that involve speed limit reduction.

For this work, the contractor shall receive and accept the < _____ > of \$_____. This sum constitutes full and complete compensation for providing all labor, material, equipment, tools and incidentals, and includes all markups by reason of this change.

Extra Work at < _____ >:.....\$_____

This change order does not affect the controlling activity. No time adjustment is warranted.
