Subject: **TEMPORARY PEDESTRIAN ACCESS ROUTES UPDATE**

This directive announces updates to the *Temporary Pedestrian Access Routes Handbook* and temporary pedestrian access routes training based on changes to the *Standard Specifications* and *Standard Plans*. This updated guidance is intended to help field staff administer projects with temporary pedestrian routes in Caltrans construction zones.

Copies of the updated handbook are available to the districts through headquarters Construction. Download an electronic version of the updated handbook from:

<https://dot.ca.gov/programs/construction/safety-traffic>

An interactive web-based training module is provided for Caltrans employees at:

<https://pdelearning.ctpass.dot.ca.gov/course/index.php?categoryid=15>

Resident engineers and inspectors should inform contractors that this training is available for their employees and can be accessed at:

<https://dot.ca.gov/programs/construction/training>

If you have any questions or need additional information, please contact Celso Izquierdo, Division of Construction, at: Celso.Izquierdo@dot.ca.gov or 916-654-5627.
