

Bid Items Table

2022 Standards	Special Provision SS_13_N03-10-2025	Comments
130300 Prepare SWPPP (LS)	130301 SWPPP (LS)	Permit requirements changed.
130310 Rain Event Action Plan (EA)	a13XXXX ¹ Pre-Storm Event Inspection Report (EA)	2022 CGP removed REAPs. Permit requirements changed for pre-storm event inspections under 2022 CGP, including the storm event definition. Follow PPDG guidance for estimating REAPs for new Pre-Storm Event Inspection Report, see PPDG page F-6. Refer to Spec section 13-3.01C(2)(b)(ii) for QSD and QSP specific inspections.
130320 Storm Water Sampling and Analysis Day (EA)	a13XXXX ¹ During- and Post-Storm Event Inspection Report (EA)	New Bid item to support during- and post-storm event inspections under 2022 CGP to include sampling results. Apply PPDG guidance for estimating Stormwater Sampling and Analysis Day to new During- and Post-Storm Event Inspection Report, see PPDG page F-7.
130330 Storm Water Annual Report (EA)	130331 Stormwater Annual Report (EA)	Permit requirements changed.
-	a13XXXX ¹ Notice of Termination Report	New bid item to support increased requirements to prepare Notice of Termination under 2022 CGP requirements. The Contractor's QSP must prepare the NOT report. Use as one (1) EA or LS.
-	a13XXXX ¹ TMDL Compliance	Attachment H of the 2022 CGP includes TMDL requirements. This will not apply to all projects.

¹ Assign non-standard bid item number. These are nonadjustable bid items.
