

## Revision Log for Ground Modification

Implementation Date: January 2026

- To align with the updated *Geotechnical Design Reports* module, the Reporting section was updated to include:
  - Reporting specifics for the Analysis and Design section of the PGDR and GDR.
  - Reporting specifics for the Recommendations section of the PGDR and GDR.
- Editorial updates to the Investigations section to achieve consistency among all design modules.

Implementation Date: March 2021

- Updated primary reference from *Ground Improvement Methods*, Reference Manual Volume I and II, FHWA HNI-06-019 and FHWA HNI-06-020, August 2006, to *Ground Modification Methods*, Reference Manual Volume I and II, FHWA NHI-16-027 and FHWA NHI-16-028, April 2017
- Revised module to reflect updates to the *Geotech Tools* website

Implementation Date: October 2014

- First Version
