Note: Inspection will only be done at the location where the material is located. All appropriate documents should be readily available for our inspector to verify. Be aware that any other material not listed on the inspection form will not be inspected without prior confirmation. We expect to be able to confirm your inspection date on the next business day following receipt of this form. Please notify this office of all changes to your schedule at least 24 hours prior to the scheduled inspection date. Incomplete or incorrectly filled out forms will delay the inspection process. Be advised that due to the unpredictable nature of inspections, OQASI staff will not schedule appointments for a specific time of day. Inspections of material in production may occur at any time. Please remember to provide safe access to all material requiring inspection. This form can be downloaded off the web at:
